

**THE EMBASSY OF THE REPUBLIC OF RWANDA  
WASHINGTON D.C.**

The Embassy of the Republic of Rwanda is pleased to inform that the Consular Department will be offering Mobile Biometrics Services to passport applicants of the state of Nebraska and surrounding areas.

Biometrics services will be carried out in **Lincoln, Nebraska on Friday, February 18th, 2022 9:00AM - 4:30PM CST.**

The Embassy takes this opportunity to encourage applicants of the state of Nebraska, surrounding areas, and anyone planning to be in the area on the aforementioned date, who applied via [Irembo.gov.rw](http://Irembo.gov.rw) and have been approved by the Directorate General of Immigration and Emigration, to **[pre-register here](#)** in order to submit their biometrics information. More details and guidelines to be communicated to those registered, and more information to follow soon regarding other cities.
